

### **Remarks**

The Applicant's representative thanks the Examiner for allowing the claims listed in the Notice of Allowance.

Claims 2, 5, 6, 8-16, 18, 21, 23-29, 31, 32, 34-59, 61 and 62 are pending. Claims 1, 3, 4, 7, 17, 19, 20, 22, 30, 33 and 60 are cancelled. Only claim 23 is amended.

The documents that appear in the Patent and Trademark Office's Patent Application Information Retrieval system (PAIR) mislabel the Interview Summary filed on December 12<sup>th</sup>, 2007, as a claims set, which is likely to confusion. Regarding claim 23, the wherein clause "wherein the Meta program is a program that determines how to change the Effector machine's architecture as the Meta program executes" was added to be consistent with the claims 5, 14, 61 and 62.

With the exception of claim 23, the above claims are substantially the same as the claims allowed in the Notice of Allowance. The amendment to claim 23 does not affect the reasons for allowance given in the response to the last office action. The Applicant takes no position at this time and therefore the Applicant does not disagree or agree with the Examiner's reasons for allowance.

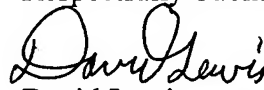

### Conclusion

It is also the Applicant's understanding that no fees are required in addition to those being submitted herewith. However, if that is not the case, please charge any fees that may be due (and that have not been paid for elsewhere) to Deposit Account # 503345.
